

## Florence Food Tour

Discover the city through the flavors that have made Italy famous all over the world. Our first stop is a tasting of traditional Tuscan bruschetta, accompanied by a glass of local wine.

As we enjoy these authentic flavors, we'll also discover the fascinating story of Florence's famous Wine Windows (Buchette del Vino) - A unique Florentine tradition that still fascinates visitors today.

Next, we'll experience one of Tuscany's sweetest traditions: CANTUCCINI and VIN SANTO. These crunchy almond biscuits are traditionally dipped into this smooth dessert wine, creating a simple but unforgettable combination that has been enjoyed for centuries.

To finish on a sweet note, we'll treat ourselves to one of Italy's greatest treasures: authentic Italian gelato. Creamy, fresh, and made with high-quality ingredients, it has become a symbol of Italian excellence around the world.

Along the way, we'll also talk about the history of Italian cuisine - a culture based on sharing, tradition, and respect for local ingredients.
